This office has on file a notarized affidavit from Pet Foods Delights verifying the accuracy of the statements below:

The pet food is freely sold in the United States. Heat treatment and processing time of the product was 290 degrees F for 20 minutes.

The chicken and beef raw materials were collected from animals slaughtered under a system of rules and regulations in place in the United States, or were legally imported into the United States.

The chicken origin materials originate in the U.S. or were legally imported.

Materials have been subjected to a treatment process sufficient to inactivate all bacteria likely to have been present in the raw materials.

The product was produced at a facility operating under a system of rules and regulations in place in the United States.
